

## **Notice on Privacy and Access**

As the number of visitors to this website has significantly increased, we have decided to limit public access to certain documents and detailed proposals.

The primary reason for this decision is to protect sensitive personal information contained within the materials. We remain fully committed to our mission of safeguarding the lives and dignity of children with disabilities through ethical AI innovation.

## **How to Contact Us**

If you represent an NGO, government institution, or a potential partner interested in humanitarian collaboration, we would be glad to share the full proposal with you privately.

For inquiries, please contact us at:

Email: [contact@mcorpai.org](mailto:contact@mcorpai.org)

Backup: [gyumin.jeon.childsafe@gmail.com](mailto:gyumin.jeon.childsafe@gmail.com)

We sincerely appreciate your understanding and shared commitment to the safety of children.
